

UHERO's Hawaii Forecast Project Subscription

An annual subscription to UHERO's Hawaii Forecast Project includes:

- 1) Hawaii State Forecast Report
- 2) County Forecast Report, including second-quarter State update
- 3) Hawaii Construction Forecast Report, including third-quarter State update
- 4) Annual Hawaii Forecast, including global outlook and fourth-quarter State update

All reports now include detailed forecasts of State-level construction-sector indicators. The reports may be used throughout your organization but may not be redistributed to clients.
